

MOËT & CHANDON

9 AVENUE DE CHAMPAGNE

**Welcome to Épernay, home of
Maison Moët & Chandon, established in 1743.**

**It was here that Claude Moët, our founder, first crafted
Champagne wines from the region's diverse terroirs.
A legacy that his grandson, Jean-Rémy, wished to share with
the whole world. Today, in the cellars beneath our feet and
the vineyards that surround us, this heritage lives on.
We invite you to discover the history and savoir-faire of a
house whose origins date back nearly three centuries.**
